Principal's Message

How quick has this term flown by, it is hard to believe Easter and the school holidays are here.

The students have all been working very hard this term, particularly with the interruptions from Covid. They have achieved a number of their individual learning goals and done themselves proud. The students have also enjoyed music each Thursday and the athletics component of sport - getting ready for the athletics carnival next term.

Congratulations to our students for their amazing artworks for the Yass Show. We were so excited to have been awarded first place for our group art.

This afternoon we are having our Easter Hat parade and Assembly. This will start at 1pm and then on completion at 2pm we will all make our way to the Rollonin Café across the road for the Easter Egg hunt and afternoon tea.

I would like to thank all the families, students and staff for their support during the term ensuring the safety and wellbeing of everyone.

It was wonderful to see the number of families that were able to make it to the P&C Welcome afternoon. It was fabulous to see everyone on school grounds once again and the evening was enjoyed by all.

Uniforms – please ask you child/children to check they have no uniform left at school over the holidays. So all their items are ready to go as the start of term 2. Please check all uniform items are labelled so they can be returned to you promptly

The staff and I wish you a wonderful Easter and school holiday. We look forward to seeing you all again on Wednesday 27th April.

Tracy Ranie
Assistant Principal, Curriculum Instruction

Bowling P&C

To the Bowling school and surrounding community.

The Bowling P&C are looking forward to a successful fundraising year for 2022.

The school is in need of some major upgrades of the school equipment.

We have some fantastic fundraising ideas to bring to life, to help with the cost of upgrades, but we need your help. Your support is crucial to our success.

If you are able, we would love for you to donate your **time** to either or both of the following events:

- Mother's Day stall 7th May 2022 in Yass.
- Small school's Athletics Carnival date is to be confirmed but currently scheduled for June 2022.

If you are able to help, we would love it! Please let us know by getting in contact with any committee member either via phone or through the Facebook group.

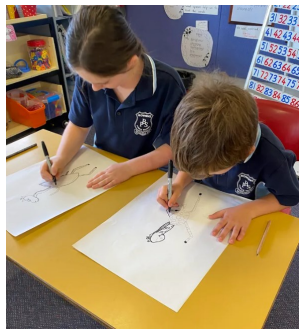

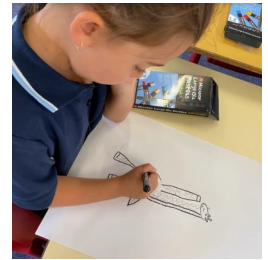

Thank you in advance for your help.

K-2 Learning

We have been reading a book in our class called Giraffes Can't Dance. This book has taught us that we can do anything that we want if we practice and believe in ourselves. We have also been talking about the power of the word "yet" and if we can't do something, to put yet on the end of our sentence. This helps us to understand that we are all growing and developing. We also learned how to draw a dancing giraffe and to paint an amazing background. We have learned new vocabulary (buckled, elegant, entranced and sneer). We have learned about nouns and verbs as well as the positive message.

We have introduced a male fish to our classroom tank and we are hoping to have fry soon.

Kindergarten are learning letter names and sounds for r, u, e, and f this week. We are working on consolidating our number bonds to 10.

Mrs Ranie

3-6 Learning

The students have been working very hard over the past couple of weeks - focusing on:

- Time in Maths.
- Comprehension, spelling and journal writing in English.
- Health - what are good choices with food.
- Indigenous life in History.

They should all be proud of what they have achieved this term and I look forward to working on new goals and successes during term 2.

Miss Green

Sports

This week the students have started our athletics program, getting ready for the athletics carnival in term 2. They have been working on passing the baton and working as a team.
